In re Application of :  
Mangalik et al. :  
Application No. 10/721370 : ON PETITION  
Filed: 11/25/2003 :  
Atty Docket No. CS21628RL :

This is a decision on the petition under 1.137(b),<sup>1</sup> filed on 3 June, 2006, to revive the above-identified application.

The petition is **DISMISSED**.

<sup>1</sup>Effective December 1, 1997, the provisions of 37 CFR 1.137(b) now provide that where the delay in reply was unintentional, a petition may be filed to revive an abandoned application or a lapsed patent pursuant to 37 CFR 1.137(b). A grantable petition filed under the provisions of 37 CFR 1.137(b) must be accompanied by:

(1) the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In a nonprovisional application filed on or after June 8, 1995, and abandoned for failure to prosecute, the required reply may also be met by the filing of a request for continued examination in compliance with § 1.114.

In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof. In an application abandoned for failure to pay the publication fee, the required reply must include payment of the publication fee.

(2) the petition fee as set forth in 37 CFR 1.17(m);

(3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional; and

(4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is not a final agency decision.

This application became abandoned on 6 October, 2006, for failure to timely respond to the non-final Office action mailed on 5 July, 2005, which set a three (3) month shortened statutory period for reply. No extensions of time under 37 CFR 1.136(a) were obtained. Notice of Abandonment was mailed on 8 February, 2007.

The petition lacks the required reply. Although petitioners submitted a paper styled as an amendment as the required reply, that amendment is not signed. 37 CFR 1.33(b) states that papers filed in an application, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, must be signed by: (1) A patent practitioner of record appointed in compliance with § 1.32(b); (2) A patent practitioner not of record who acts in a representative capacity under the provisions of § 1.34; (3) An assignee as provided for under § 3.71(b) of this chapter; or (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

The petition is therefore dismissed without prejudice to reconsideration pending receipt of a properly signed reply.
